Cindy Lyall
Riding: Gi Joe

Passier Eventer Saddle \$4295.00

Close contact with the horse when jumping is essential and the Passier Eventer has a narrow twist which enables the rider a super close feel. The rear of the saddle tree is wider to ensure greater freedom of movement and the fully adjustable tree. The calf leather flaps and the pre-formed knee inserts ensure optimum security for the rider. Fully adjustable and wool flock panels.

ASCOT SADDLES

ASCOT FACUNDO \$1995.00

This saddle is a very popular jumping saddle because of the level of security it offers. With velcro moveable knee and calf blocks this saddle suits all leg lengths and the soft broad seat is designed for rider comfort. The wood sprung tree is fully adjustable for excellent fit.

Size: 16.5, 17, 17.5
Colour: Black and Havana Brown

ASCOT AVITHUS \$2295.00

The Avithus Dressage saddle has a very wide channel and sits on broad horses perfectly. The gullet is fully adjustable and can be widened out as wide as a XXW. The knee blocks are large and supportive. The girthing system achieves maximum comfort and fit because it has multiple girth billet slots.

Size: 16.5, 17, 17.5
Colour: Black and Havana Brown

Passier Compact \$4595.00

Passier has revolutionized the design of saddles for short backed horses. The new Compact saddle reduces the contact surface length ways on the horses back whilst still maintaining a good sized seat creating more comfort for the rider. The panels give great freedom through the shoulder and the 'W' girthing arrangement ensures the saddle stays firmly in place. It also features a fully adjustable gullet and wool flock panels.

Janina Kletk
Riding: BF Floreno

Passier Young Champ Dressage \$2695.00

A small saddle that is appealing to look at and offers security at the same time. The Young Champ sits its rider in a true dressage position whether adult or child. This saddle is excellent for adults wanting a elegant dressage saddle to ride ponies in. Fully adjustable and wool flock panels.

Size: 15", 15.5", 16"
Colour: Black, Brown

Passier Corona II \$3995.00

The calf leather flaps of the Corona II are completely slip proof, combined with the thicker thigh support, this saddle optimizes the riders leg position. The wide channel naturally makes this saddle sit beautifully on the horses back and the flaps maximize security for the rider. Fully adjustable and wool flock panels.

ASCOT BORROCA \$2195.00

Mono flap saddles allow closer contact against the horse maximising the riders feel. The Barocca has been used in WA by our top riders for many years. The padded knee insert has been tried and tested and gives unbelievable support for the lower leg and is great for people with long legs as there is no interfering knee roll. Fully Adjustable through the gullet with nice wide panels.

Size: 16.5, 17, 17.5
Colour: Havana Brown and Black

ASCOT ROMANA \$1995.00

Security and good riding position can go together if you ride in the Romana. It is forward cut to allow the rider to shorten their stirrups for jumping and it also has a deep seat that keep the rider in the centre of the saddle. So dressage and low level jumping are all possible in the Romana. Fully Adjustable gullet and flock panel.

Size: 16.5, 17, 17.5
Colour: Black and Brown
